

Checklist: Essential formal aspects in the creation of a questionnaire

Anonymity is guaranteed. Only a few structural characteristics are recorded, such as gender, age, hierarchy level or unit

All potential participants have the opportunity to participate in the survey

You can limit the display of the evaluations according to the correction level

The answers are also meaningful if they are available in a concentrated form, so that no conclusions can be drawn about persons.

The survey is only aimed at people who have relevant information on the survey topic

YOU ARE **CONVINCED** AND WOULD LIKE TO START AN **EMPLOYEE SURVEY**?
WE ARE HAPPY TO ADVISE YOU.
